

16. Exit Ticket

Name: _____ **Class:** _____ **Date:** _____

1. In $\frac{1}{2}$ of 35, identify the whole, the number of equal groups, and the number of groups selected.

2. Find $\frac{1}{3}$ of 35 and show the unit-fraction step.

3. Is $\frac{1}{2}$ less than, equal to, or greater than 1? Explain using a number line or mixed number.

4. Why does $\frac{1}{2}$ of 15 not equal 7?
